Professional Summary

Data Engineer with 6+ months of ERP application support experience and a strong academic foundation (MCA, 9.06 CGPA). Skilled in C#, .NET Core, ASP.NET Core MVC, Entity Framework Core, and SQL Server, with a track record of debugging production issues and writing clean, maintainable code.

Experience

Vision Infra Equipment Solutions Ltd.

Data Engineer - ERP Application Support

Jan. 2026 – Present

Pune, Maharashtra

- Provide technical production support for enterprise ERP software built on Microsoft .NET Core.
- Troubleshoot operational software logic issues across finance, inventory, and procurement modules.
- Write optimized SQL Server queries to validate relational data, isolate runtime errors, and audit logs.
- Collaborate with senior developers to reproduce bugs, document requirements, and verify fixes.

Projects

Post Office Management System | C#, ASP.NET Core MVC, SQL Server, EF Core

- Built a secure ASP.NET Core MVC web app to automate localized postal operations.
- Designed relational schema in EF Core for fast, reliable CRUD operations.
- Implemented tracking, authentication, and registration workflows with a responsive UI.

ERP Report Analyzer | Python, Supabase, JavaScript, Git | [Live Link](#)

- Applied AI-assisted development and prompt engineering for dashboard development, SQL optimization, and report automation.
- Automated parsing of raw spreadsheet reports into analytical dashboard charts.
- Optimized SQL data queries, cutting execution time on high-volume datasets.

ERP Studio Knowledge Hub | HTML, CSS, JavaScript, MySQL | [Live Link](#)

- Built a centralized dashboard documenting ERP architecture, database relations, and SQL workflows.
- Designed a responsive, SaaS-style interface to improve searchability and reduce lookup time.

Education

Shri Vithal Education & Research Institute (SVERI)

Master of Computer Applications (MCA) | CGPA: 9.06

2023 – 2025

Pandharpur, MH

University of Solapur

Bachelor of Science in Computer Science (B.Sc. CS) | CGPA: 8.86

2020 – 2023

Solapur, MH

Shri Shivaji Vidyalaya, Mahud BK

12th (Science) – PCM | Percentage: 65%

2019 – 2020

Solapur, MH

Skills

Core Microsoft Stack: C#, .NET Core, ASP.NET Core MVC, Entity Framework Core, RESTful APIs, LINQ, Azure

Databases & Querying: SQL Server (SSMS), MySQL, Database Optimization, Data Validation

Languages & Frontend: JavaScript, HTML5, CSS3, Responsive Web Design

Tools & Workflows: AWS, Git, GitHub, Postman, JIRA, SDLC, Debugging, Software Testing, Code Review

Core Strengths: Prompt Engineering, Problem-Solving, Continuous Learning

Certifications

- AWS Cloud Practitioner — GeeksForGeeks
- Career Essentials in Generative AI (AI Ethics & Secure Architectures) — Microsoft & LinkedIn
- Java Programming Professional Certification & MySQL Database Foundations Validation
- Flutter Application Architecture Training & HP LIFE Cybersecurity Incident Management Awareness
